Ranger Led Activities

Life in the Woodlands

Discover the variety of life that lives in our woodlands using an array of activities to engage the children of the wonders of the forest. Here are some examples to choose from;

- Bug safari
- Den Building
- Tree Id
- Mammal traps
- Owl pellet investigation
- Animal tracks

Wild about Water

Investigate what pond life is present by catching creatures and then learning the different life cycles of both the creatures and the pond.

Making & Using maps

Learn what scale, legends, symbols mean on a map, and then create your own map to find the golden goblet.

Further Information

For secondary or further education sessions or to tailor a lesson to a specific topic, please contact our ranger team on 01848 331555

Additional Tours & Facilities

Castle Tour

Stimulate the children's minds on a guided tour of this delightful Castle and let them discover the beautiful furniture, architecture and historical connections.

Adventure Playground

Encompasses huge slides, aerial runways and a giant space net which are great hits with children of all ages.

Additional qualifications

If you are interested in your class taking part in our John Muir Award pilot scheme, then contact the ranger team on the below number

Please note:

- All members of staff carry radios.
- There are always qualified First Aiders on site.
- Pupils should be equipped with suitable clothing and footwear for outside activities.
- A change of footwear is required for Castle
